EFFECTIVE IMMEDIATELY:

The Auglaize County Administration building is closed to the public to manage the county's response to the COVID-19 outbreak. The Treasurer's Office will work by appointment only. If it is imperative for you to meet with us one-on-one, please call 419-739-6745 to schedule an appointment.

Another alternative to scheduling an appointment is to drop any paperwork or payments in one of our two drop boxes. A drive-up drop box is located in the alley on the west side of the building and a walk-up drop box is located on the front stoop of the building on the east side of the building.

We appreciate your cooperation and understanding during these difficult times.

Please stay safe and I wish everyone good health.

April E. Bowersock,
Auglaize County Treasurer
